STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 14 April 2023, while exercising my duties as a law enforcement officer in the Northern District of Arizona

While driving a marked BLM Law Enforcement vehicle and while wearing a BLM Law Enforcement uniform, I responded to a report via a local ranch hand of illegal firewood cutting activity on BLM-administered lands near Mineral Park Road (north of Kingman). The ranch hand had been previously coordinating with BLM Law Enforcement on the woodcutting activity and had stationed in the area until the suspect returned. Upon arrival, I discovered the suspect pickup in a wash adjacent to active woodcutting activity. As I had the suspect in view, the suspect vehicle immediately cleared and sped down the wash away from me. I activated my lights and sirens as I followed the pickup. The ranch hand was able to block the suspect pickup from the opposite end of the wash, in which the suspect did stop. The driver of the pickup was identified as SEAN C. CARLTON. The pickup bed of CARLTON possessed a chainsaw, gasoline container, clippers, and was filled roughly halfway with cut wood. CARLTON said he was unaware that I was Law Enforcement and that is why he sped away. CARLTON did not have a valid driver's license. CARLTON said he never met me before. CARLTON confirmed to cutting firewood in the wash and that he removed about five loads over the previous month and a half. CARLTON confirmed he had left cigarette butts on the ground. CARLTON confirmed to selling the wood in Golden Valley and that he only cut firewood on public land. I issued CARLTON five Federal citations for 43 CFR 4140.1 (b)(3), cutting/removing vegetation; 43 CFR 8341.1(e), operation of OHV without valid operator's license; 43 CFR 4140.1(b)(6), littering; 43 CFR 8365.1-5(b), removal of vegetation for commercial use; and 43 CFR 8365.1-4(a)(4), resisting issuance of citation. When I returned to the area in the daytime to assess the damages, I discovered that CARLTON appeared to have recently cut more than just the area he specified in addition to leaving more waste. I documented an overall total of 52 catchlaw trees cut/removed from BLM-administered lands. I also discovered that I had issued CARLTON a Federal citation in January 2019 for illegal woodcutting activity.

The foregoing statement is based upon:

- ☒ My personal observation ☒ My personal investigation
☐ Information supplied to me from my fellow officer's observation
☐ Other (explain above)

I declare under the penalty of perjury that the information, which I have set forth above and on the face of the violation notice, is true and correct to the best of my knowledge.

The ranch hand had been previously coordinating with BLM Law Enforcement on the woodcutting activity and had stationed in the area until the suspect returned. Upon arrival, I discovered the suspect pickup in a wash adjacent to active woodcutting activity. As I had the suspect in view, the suspect vehicle immediately cleared and sped down the wash away from me. I activated my lights and sirens as I followed the pickup. The ranch hand was able to block the suspect pickup from the opposite end of the wash, in which the suspect did stop. The driver of the pickup was identified as SEAN C. CARLTON. The pickup bed of CARLTON possessed a chainsaw, gasoline container, clippers, and was filled roughly halfway with cut wood. CARLTON said he was unaware that I was Law Enforcement and that is why he sped away. CARLTON did not have a valid driver's license. CARLTON said he never met me before. CARLTON confirmed to cutting firewood in the wash and that he removed about five loads over the previous month and a half. CARLTON confirmed he had left cigarette butts on the ground. CARLTON confirmed to selling the wood in Golden Valley and that he only cut firewood on public land. I issued CARLTON five Federal citations for 43 CFR 4140.1 (b)(3), cutting/removing vegetation; 43 CFR 8341.1(e), operation of OHV without valid operator's license; 43 CFR 4140.1(b)(6), littering; 43 CFR 8365.1-5(b), removal of vegetation for commercial use; and 43 CFR 8365.1-4(a)(4), resisting issuance of citation. When I returned to the area in the daytime to assess the damages, I discovered that CARLTON appeared to have recently cut more than just the area he specified in addition to leaving more waste. I documented an overall total of 52 catclaw trees cut/removed from BLM-administered lands. I also discovered that I had issued CARLTON a Federal citation in January 2019 for illegal woodcutting activity.
